## **Christopher D. Ball of Manko, Gold, Katcher & Fox, LLP Joins Policy Committee of the Sustainable Business Network**

Philadelphia, PA (February 4, 2016) – Christopher D. Ball, a partner with Manko, Gold, Katcher & Fox, LLP (MGKF), the environmental, energy and land use law firm based just outside of Philadelphia, joined the Policy Committee of the Sustainable Business Network of Greater Philadelphia (SBN). This committee is responsible for guiding the development and achievement of SBN policy priorities in support of local-owned and sustainable businesses.

SBN is a nonprofit membership organization of more than 400 businesses working to build a more just, green, and thriving economy in the Greater Philadelphia region. SBN challenges and supports the business community to build profitable enterprises that serve community needs, share wealth, and protect the environment through initiatives such as the [Good Economy Challenge](#) and the [Green Stormwater Infrastructure \(GSI\) Partners](#). MGKF is a GSI Partner and has been an SBN member since 2008.

A partner focused on environmental litigation, regulatory compliance and sustainability, Ball counsels clients with a unique perspective resulting from his significant regulatory work at both the state and federal levels. As a former deputy attorney general for the state of New Jersey, Chris's litigation experience includes complex federal Clean Air Act citizen suit actions, state solid waste enforcement cases, and administrative challenges to United States Environmental Protection Agency (EPA) rulemaking. Having also served as a state liaison for USEPA Region III, he has similarly substantial regulatory experience

under a wide range of federal environmental statutes. His practice at MGKF puts this cumulative environmental experience to the benefit of his clients through creative approaches to matters ranging from toxic tort and Superfund litigation to the management of potential liabilities in individual property transactions.

*MGKF concentrates its practice in environmental, energy, safety, and land use law and litigation. It represents clients ranging from Fortune 100 corporations to small, privately held enterprises, both in the Mid-Atlantic region and on a national basis. Offices are located at: 401 City Avenue, Suite 901, Bala Cynwyd, Pennsylvania; 535 Route 38, Suite 145A, Cherry Hill, New Jersey; and at 25 West Third Street, Suite 303, Williamsport, Pennsylvania.
