## **Manko, Gold, Katcher & Fox Partner Carol McCabe Honored by Support Center for Child Advocates with Distinguished Advocates Award**

Philadelphia, PA (April 26, 2017) – Manko, Gold, Katcher & Fox, LLP partner Carol McCabe was honored with a Distinguished Advocate Award from the Support Center for Child Advocates (*Child Advocates*) at their *Annual Benefit Reception & Auction* on April 19, 2017. More than 900 guests were in attendance to recognize 40 friends, volunteers and community leaders who make *Child Advocates* work with children possible. “This is a prestigious award,” said Managing Partner Jonathan Spergel. “It is an appropriate recognition of the significant contributions that Carol has made to the Support Center as a volunteer attorney since 2004. This is just one of many reasons I am proud to call Carol my partner.”

The Support Center for Child Advocates is celebrating its 40 years as a leading pro bono legal and social services agency advocating for abused and neglected children. They have served more than 12,000 boys

and girls in crisis and trained more than 10,000 volunteer attorneys and other professionals since their founding in 1977.

At MGKF, McCabe counsels clients on a wide variety of environmental issues, including permitting, compliance and enforcement matters related to air emissions, storage tanks, stormwater, wastewater pretreatment, and hazardous waste. She has assisted clients with environmental auditing, permit appeals, and defense of agency enforcement actions. She has represented clients before the Pennsylvania Environmental Hearing Board, the New Jersey Office of Administrative Law, the U.S. Environmental Protection Agency, Environmental Appeals Board, and the District of Columbia Circuit Court of Appeals.

Additionally, McCabe serves as Chair of the Board of Directors of the Pennsylvania Environmental Council, and as the Chair of the Friends of Lemon Hill. She has also been a lecturer-in-law at the University of Pennsylvania School of Law since 2007.
