Voting lawyers are all asked the same question, "If you were unable to take a case yourself, how likely would you be to refer it to this nominee?" Lawyers are asked to give nominees numerical grades ranging from 5-1 (5 being for a lawyer the voter would definitely refer a case to and 1 for an attorney they would definitely not refer a case to).

MGKF concentrates its practice in environmental, energy, litigation, safety and land use law. It represents clients ranging from Fortune 100 corporations to small, privately held enterprises, both in the Mid-Atlantic region and on a national basis.
