She'll do it her way

Broadway star Lesli Margherita made her Bucks County Playhouse debut last summer as Miss Adelaide in "Guys and Dolls." Now, the versatile stage and screen actress is back with her own one-woman show, "This Broad's Way," for one night only on Saturday. Margherita, who starred in "Matilda" and "Dames at Sea" on Broadway and whose TV credits include recurring roles in Showtime's "Homeland" and Netflix's upcoming "Seven Seconds," will share stories from her eventful career in show business and put her own spin on Broadway classics and other musical favorites. The Playhouse is at 70 S. Main St. in New Hope. Show time: 8 p.m. Tickets: \$40-\$55. Information: 215-862-2121; bcptheater.org.
