Residents at Spring Hills hosted their own opening ceremony and Olympic games on the morning of Friday, Aug. 5. In the opening ceremony, residents marched paper torches in to the games as Katy Perry’s new Olympic theme song played in the background. The Olympic cauldron was then lit to officially behind the games.

The residents participated in a number of games, including volleyball, ring toss and badminton. In addition to the United States, other countries were represented including France, Italy and England.
