Theater Beat:

by John Timpane

JUNE 13, 2017 —

'Buddy' story. "I think we may do *Buddy: The Buddy Holly Story* yet again at the Bucks County Playhouse," says Alex Fraser, producing director there. *Buddy* packs up this weekend and breaks south to the Perelman Theater for a June 24-July 9 run. But first, it's going to break its own house record for ticket sales (set in summer 2016).
