THE MORNING CALL

June 8, 2018

More summer theater in the Lehigh Valley

In addition to the productions presented by the Pennsylvania Shakespeare Festival, Muhlenberg Summer Music Theatre and Northampton Community College Summer Theatre, several local and regional groups are presenting plays and musicals this summer. Here's what's coming up. Note: Shakespeare in the Park is no longer presenting productions in August.

An Act of God: Flanked by ever-faithful archangels, the Supreme Being gifts humanity with an entirely new set of Ten Commandments in a sinfully funny whirlwind of comedy heaven. Through June 16. Bucks County Playhouse, 70 S. Main St., New Hope. 215-862-2121, Bcptheater.org.
