2018 Best of Senior Living Award Given to Spring Hills Somerset

Assisted Living Community Provided with Award From SeniorAdvisor.com

Spring Hills Somerset Assisted Living is proud to announce that they have, for the second time, been selected as one of the 2018 Best of Assisted Living Award Winners on SeniorAdvisor.com.

SeniorAdvisor.com's Best of 2018 Award winners represent the best of the best of in-home care, assisted living, and other senior living providers, based on the online reviews written by seniors and their families. This exclusive designation honors the top one percent of senior care providers across the United States and Canada. SeniorAdvisor.com, the largest ratings and reviews site for senior care and services in North America and Canada, is in their fifth year of hosting the Best of Senior Living Awards.

The annual SeniorAdvisor.com Best of Senior Living Awards tabulates over 150,000 family created reviews to find the highest quality care providers for this honor. Of the nearly 45,000 communities currently listed on SeniorAdvisor.com, just over 1,600 were recognized with this prestigious award.

Spring Hills Somerset is one of only two winners in Somerset, NJ and regularly receives exceptionally positive reviews from their senior customers and their families like this one: "My mother has been a resident at Spring Hills for the past three years. The staff and management are professional and caring for the elderly. I could not have asked for a better place for my mother." – Beverly in February 2017

Erio Rosario, Executive Director at Spring Hills Somerset, said, "Every team member at Spring Hills Somerset works so hard to ensure that our residents and their families are happy and well cared for. To receive this honor proves that their extra effort and everyday smiles pay off." In addition, Alexander Markowits, President/CEO of Spring Hills' parent company Spring Hills Senior Communities, said, "We couldn't be more proud of everyone at Spring Hills Somerset. Receiving this award shows us all that they successfully implement the environment we strive to create at all of our locations."

"As SeniorAdvisor.com's 'Best of Senior Living' awards enters its fifth year of honoring the top family rated communities and care providers, we are proud to say that the bar has been raised," said Eric Seifert, President and COO of Senioradvisor.com. "In order to ensure only the best communities and care providers win, we decided to make the criteria harder than ever and we saw over 1600 winners rise to the occasion. Each year we are more and more impressed with the quality of winners and

look forward to spreading the word about these award winning organizations.”

To qualify for inclusion in the Best of 2018 Awards, care providers must have maintained an average overall rating of at least 4.5 stars while receiving four or more new reviews in 2017.
