Starting the New Year with “Best of Assisted Living” Award...

SPRING HILLS MIDDLETOWN ASSISTED LIVING WINS 2016 BEST OF ASSISTED LIVING AWARD FROM SENIORADVISOR.COM

SECOND STRAIGHT WIN FOR SPRING HILLS MIDDLETOWN

Franklin, OH (January 12, 2016) – As the New Year begins, many seniors will transition into a new lifestyle by moving into an assisted living community. The best way to make this change is to move into an award-winning assisted living community. For the second time in a row, Spring Hills Middletown Assisted Living is proud to announce that they have been selected as a 2016 Best of Assisted Living Award Winner on SeniorAdvisor.com. These annual awards recognize outstanding senior living and home care providers who have received consistently high ratings from residents and their families. This exclusive designation **places Spring Hills Middletown Assisted Living in the top one percent of senior care providers** according to those who matter most - the consumers. SeniorAdvisor.com is the largest ratings and reviews site for senior care and services in North America; of the nearly 100,000 providers currently listed on SeniorAdvisor.com, just over 1,000 were recognized with this award.

Spring Hills Middletown is the only winner in Franklin, OH, and regularly receives highly positive reviews from their families like this one: “My father was a resident at Spring Hills Middletown for two and a half years. During that time, he came to think of the Spring Hills as his home and the people that work there (the aides, nurses, cooks and other support staff) as his family. As a result of the love that was shown to my father, I would recommend Spring Hills Middletown to anyone looking for an Assisted Living facility for their loved one. Residents are treated with respect and dignity, the facility is clean, the food is excellent.”

Alex Markowits, President/CEO and Founder of Spring Hills Senior Communities, and his entire team are committed to ensuring that Spring Hills Middletown Assisted Living not only operate at the highest professional standards but also provide a warm, safe home for their residents. “We are very proud that Spring Hills Middletown has received this exclusive award. For our residents and families to go out of their way to share positive reviews and thoughts about the Spring Hills family, only confirms the commitment and passion our staff exhibits every day and we couldn’t be more grateful.”

Spring Hills Middletown Executive Director, Charlene Himes, and her staff treat everyone at their community like they are family. "Our daily goal is for our residents to be happy, safe and well taken care of. We are very pleased that the families of our residents believe we are providing this for their loved ones so much so that they are taking the time to write wonderful reviews."

"Families are increasingly looking to online reviews to find out who truly delivers great care for our seniors, not just who claims to deliver great care," said Eric Seifert, President of SeniorAdvisor.com. "Our Senior Advisor.com Awards program is all about celebrating the exceptional people who do just that. We're honored to spread the word about these organizations whom families can entrust with the care of their senior loved ones."

To qualify for inclusion in the Best of 2016 Awards, providers must have maintained an average overall rating of at least 4.5 stars while receiving three or more new reviews in 2015.
