# Multiple Recognitions for Manko, Gold, Katcher & Fox Attorneys:

McCabe & Schiller Included in Top 50: 2017 Women Pennsylvania Super Lawyers - 70 Percent of the Firm Included in Pennsylvania Super Lawyers

[Manko, Gold, Katcher & Fox, LLP](#), the environmental, energy and land use law firm based just outside of Philadelphia, PA, congratulates its partners [Carol F. McCabe](#) and [Shoshana \(Suzanne\) Ilene Schiller](#) for being included in the [Top 50: 2017 Women Pennsylvania Super Lawyers listing](#).

Every year, Super Lawyers evaluates lawyers across the country for its annual list of top attorneys. Each candidate is measured against 12 indicators of peer recognition and professional achievement. Nominees from more than 70 practice areas are considered. The patented multiphase selection process is rigorous and methodical.

The “Top Lists” take exclusivity one step further by featuring selected Super Lawyers attorneys with the most total points earned. MGKF Managing Partner, Jonathan Spergel commented, “We are thrilled that our colleagues Carol McCabe and Suzanne Schiller are being recognized for their exceptional lawyering skills and diligent efforts. I am proud to call them partners, and congratulate them on this noteworthy achievement.”

Additionally, 70 percent of the MGKF attorneys have been included in the 2017 Super Lawyers\* list published by Thomson Reuters. In total, 18 partners are listed in Pennsylvania Super Lawyers, including Joseph M. Manko, Marc E. Gold, Bruce S. Katcher, Robert D. Fox, Rodd W. Bender, Bart E. Cassidy, Brenda Hustis Gotanda, Jill Hyman Kaplan, Carol F. McCabe, Michael M. Meloy, Jonathan E. Rinde, Jonathan H. Spergel, and Katherine L. Vaccaro for environmental law and Neil S. Witkes, John F. Gullace, Nicole R. Moshang, and Suzanne Ilene Schiller for environmental litigation.

Additionally, Kathleen Campbell and Diana A. Silva are included in the 2017 Pennsylvania Rising Stars list for environmental litigation while James M. McClammer and Garrett D. Trego are listed for environmental law and business litigation, respectively. Thomson Reuters defines “Rising Stars” as up and coming attorneys 40 years old or younger, or who have been practicing 10 years or less.

According to Thomson Reuters, attorneys are selected for Super Lawyers listings using a rigorous, multiphase rating process. Peer nominations and evaluations, obtained from survey ballots sent to Pennsylvania and New Jersey attorneys, respectively, are combined with third party research. Each candidate is evaluated on 12 indicators of peer recognition and professional achievement, combined with the background and experience of candidates, divided according to their firm size—small, medium

and large. The selection process for “Rising Stars” is the same as “Super Lawyers”, but candidates for “Rising Stars” do not go through peer evaluation by practice area. Selections are made on an annual, state-by-state basis.
