## Peace and Love Kick-Off Concert with the Jost Project

September 17, 3 to 5 p.m.

Philadelphia Ethical Society

1906 Rittenhouse Sq, Philadelphia, Pennsylvania 19103

The Jost Project is a group of highly acclaimed jazz artists who are devoted to reaching new audiences for jazz with innovative arrangements of music. A sampling of songs includes "Get Together", "Wonderful World" and "Put a Little Love in Your Heart." The Jost Project is reaching into generations who came of age with rock and roll, the Beatles, hard rock, and other genres which are rarely played in a jazz format.

At this FREE concert, the ensemble will play selections from their upcoming "Peace and Love" CD by Dot Time Records.

Come help us kick-off Peace Day Philly with some great music!
