Medford, Evesham students plant garden on Earth Day

From left, residents Fred Stohl, Fannie Basara, Mary Lou Cook, Jason Jacobs, Macary George, Christopher Luka and Royce Jacobs planted a garden for Earth Day at Spring Hills Cherry Hill Assisted Living. [CONTRIBUTED]

Three teens from Medford and Evesham rolled up their sleeves Saturday to celebrate Earth Day at Spring Hills Cherry Hill Assisted Living. Medford Memorial School student Macary George, 13, Demasi Middle School student Christopher Luka, 13, and Medford Memorial Middle School student Royce Jacobs, 13, helped plant flowers, vegetables, herbs, bushes and a gardenia tree for Spring Hills' Farm-to-Table program. Plants in the garden will be used as mosquito repellent, aromatherapy, lotions and soaps by the residents and staff at the assisted living community on Marlton Pike East.
