For over four years, Local Jazz & Blues artist Sara Michaels has hosted this series. "After many satellite venues, we finally have a home for our Jazz concerts", says Michaels. Paul Jost, believing in Michael's vision of presenting the diversity and vitality of Jazz, has been part of the journey since the beginning. We are excited to celebrate the release of their new CD, Peace and Love.

### ***The Jazz Cocktail Hour***

*Great jazz for everyone! The evening begins with drinks or a signature cocktail, and small bites. Concerts are held on the second floor in The Univest Room, an intimate room to experience the creative, improvisational form of jazz, up close and personal. Sara Michaels gives a brief introduction to connect the artist with the audience.*
